### **A Rule For Happiness**

**Live right! Be pure! With conscience clear,  
Have nought to fear from year to year.  
Be quick to lend a helping hand  
To suffering ones throughout the land.  
Take this old world as it is.  
Make the best of it you can.  
Love not riches, honor, fame,  
But love the more your fellowman.  
Seek joy in every path you tread,  
Be sure of love before you wed.  
Trust everything to love divine,  
True happiness will then be thine.**
